

POLICY: BEHAVIOUR MANAGEMENT

50 Dangerous Things... Camp uses effective behaviour management strategies to promote the welfare and enjoyment of children attending 50DT Camp. Working in partnership with parents, we aim to manage behaviour using clear, consistent and positive strategies. 50DT Camp's 'Golden Rules' (which also include H&S rules) are discussed and agreed by staff and children at the beginning of each session and reviewed throughout the day.

50DT Camp's designated member of staff responsible for behaviour management is Julie Mountain.

Whilst at 50 Dangerous Things... Camp we expect children to:

- Use socially acceptable behaviour
- Comply with 50DT Camp's 'Golden Rules', which are compiled by the children attending 50DT Camp
- Respect one another, accepting differences of race, gender, ability, age and religion
- Develop their independence by maintaining self-discipline
- Choose and participate in a variety of activities
- Ask for help if needed
- Enjoy their time at 50DT Camp

ENCOURAGING POSITIVE BEHAVIOUR

At 50 Dangerous Things... Camp positive behaviour is encouraged by:

- Staff acting as positive role models
- Praising and delighting appropriate behaviour and achievements
- Informing parents about individual achievements
- Offering a variety of play opportunities to meet the needs of the children attending 50DT Camp

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand that their behaviour is not acceptable. Staff at 50DT Camp will try to determine the cause or triggers of the inappropriate behaviour to prevent the situation from recurring.

DEALING WITH INAPPROPRIATE BEHAVIOUR

- Challenging behaviour will be addressed in a calm, firm and positive manner.
- In the first instance, the child will be temporarily removed from the activity.
- Staff will discuss why the behaviour displayed is deemed inappropriate.
- Staff will give the child an opportunity to explain their behaviour, to help prevent a recurrence.
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation.
- If the inappropriate behaviour appears to be as a result of boredom, staff will consult with the child to find activities that more fully engage them.
- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.
- We will not threaten any punishment that could adversely affect a child's well-being (e.g. withdrawal of food or drink).

If after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, 50DT Camp may decide to exclude the child. The reasons and processes involved will be clearly explained to the child and parents or carers.

PHYSICAL INTERVENTION

Physical intervention will only be used as a last resort, when staff believe that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property. If a member of staff has to physically restrain a child, the manager will be notified and an **Incident record** will be completed. The incident will be discussed with the parent or carer as soon as possible.

If staff are not confident about their ability to contain a situation, they will call the manager or, in extreme cases, the police.

All serious incidents will be recorded on an **Incident record** and kept in the child's file. This may be used to build a pattern of behaviour, which may indicate an underlying cause. If a pattern of incidents indicates possible abuse, we will implement child protection procedures in accordance with our **Safeguarding** policy.

CORPORAL PUNISHMENT

Corporal punishment or the threat of corporal punishment will *never* be used at 50DT Camp.

We will take all reasonable steps to ensure that no child who attends our Club receives corporal punishment from any person who cares for or is in regular contact with the child, or from any other person on our premises.
